Dear Parents/Guardians

A growing number of students' mobile phones and other valuable items are coming to school. We remind parents that we ask children not to bring valuable items to school. School Council and school staff do not take any responsibility for such items which are regularly misplaced or lost.

It is for this reason that we ask that unless children have your written permission, they keep mobile phones and other valuables at home. All children who bring a mobile phone or other valuable items to school will need to check these in at the school office before 8:50am and pick up from the school office after 3:30pm. We hope that by putting in place these guidelines we can help to ensure that parent safety concerns are being respected while at the same time ensuring that valuable items are not being misplaced, lost or used inappropriately.

If you have any questions please don’t hesitate to contact me on 9772 3471.

We thank you for your support.
