PURPOSE

To explain to our school community the Department's and Bonbeach Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Bonbeach Primary School and,
2. Students' personal mobile phones and other personal mobile devices (e.g. smartwatches) brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

A **smartwatch** is any watch with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Bonbeach Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Bonbeach Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Students who choose to wear a smartwatch to school must have the cellular data connection switched off (school mode)
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's Mobile Phones — Student Use Policy issued by the Minister for Education, personal mobile phones must not be used at Bonbeach Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Students are permitted to wear a smartwatch, such as a 'Spacetalk' watch, so long as the cellular capabilities are disabled during the school day (8:50 am – 3:30 pm). If staff become aware that the cellular functionality is not disabled during school hours, then the student will be asked to hand the watch into the office.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Bonbeach Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Bonbeach Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. For further information, refer to the Department's Claims for Property Damage and Medical Expenses policy.

Where students bring a mobile phone to school, Bonbeach Primary school will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. Students are required to hand in their mobile phones on arrival at school in the morning to the school administration office. All mobile phones will be placed in a lockable cupboard at the office throughout the day. Mobile phones may be collected from the office after dismissal at 3:30pm or when a child is collected from school early at the time that the student is collected by an adult

Enforcement

Students who use their personal mobile phones inappropriately at Bonbeach Primary School may be issued with consequences consistent with our Student Engagement and Wellbeing policy.

At Bonbeach Primary School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls
- to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission
- to capture video or images in the school toilets, and/or changing rooms, swimming pools and gyms when on excursion
- during assessment tasks

Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
    - Health and wellbeing-related exceptions; and
    - Exceptions related to managing risk when students are offsite.
- can be granted by the Principal, or by the teacher for that class, in accordance with the Department's Mobile Phones — Student Use Policy.

The three categories of exceptions allowed under the Department's Mobile Phones — Student Use Policy are:

1. Learning-related exceptions

Specific exception	Documentation
For specific learning activities (class-based exception)	Unit of work, learning sequence
For students for whom a reasonable adjustment to a learning program is needed because of a disability or learning difficulty	Individual Learning Plan, Individual Education Plan

2. Health and wellbeing-related exceptions

Specific exception	Documentation
Students with a health condition	Student Health Support Plan
Students who are Young Carers	A localised student record

3. Exceptions related to managing risk when students are offsite

Specific exception	Documentation
Travelling to and from excursions	Risk assessment planning documentation
Students on excursions and camps	Risk assessment planning documentation
When students are offsite (not on school grounds) and unsupervised with parental permission	Risk assessment planning documentation
Students with a dual enrolment or who need to undertake intercampus travel	Risk assessment planning documentation

Where an exception is granted, the student can only use the mobile phone for the purpose for which it was granted.

Camps, excursions and extracurricular activities

Bonbeach Primary School will provide students and their parents and carers with information about items that can or cannot be brought to camps, excursions, special activities and events, including personal mobile phones.
