Dear parent/guardian,

Bonbeach Primary School is looking forward to another great year of teaching and learning and would like to advise you of Bonbeach Primary School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education, facilities, and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to organise and coordinate the best possible programs outside of the traditional teaching and learning classroom structure.

The Bonbeach Primary School Council has approved the school's Parent Payments and believe that the contributions made to the school create a real difference to the learning programs, modern equipment, and teaching professionals available to your children.

These financial contributions assist us with the purchasing of art, music, Information Technology devices and physical education equipment and resources, which in turn, supports them to be exemplary programs coinciding with our elite classroom teaching of the established subjects such as Reading, Writing and Maths.

We greatly appreciate any voluntary contributions you may be able to make to the school, further assisting our resource and support requirements.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Ken Jones
Principal
